

Questions & Answers  
SITE NAME Moore Barn  
COMM #54467-9737-25  
BRRTS #03-50-000786

**QUESTION:** The bid text and table say to collect groundwater samples for all monitoring wells installed at this site, which is 10 mw's and 1 piez. However, with the installation of the two new wells, it should be 12 mw's and 1 piez.

Answer: It should be 12 MWs & 1 PZ.

**QUESTION:** Do you want a free product sample from every well that has free product, or just one sample for the entire site?

Answer: Yes, from every well.

**QUESTION:** If a well has free product, do you still want a water sample collected? And if so, do you want the free product removed prior to sampling?

Answer: Yes, Yes
